PDD2

(Pivot Display Drawer 2)

1U Fold Away Monitor

1U Flexible / Pivot Monitor Drawer

The PDD2 Series is an high performance 1U LCD display drawer sporting 15", 17", and 19" LCD Monitors. These monitors have high contrast ratios and wide viewing angles with resolutions at SXGA (1280X1024) for the 17" & 19" monitors, and XGA (1024x768) for the 15" monitors.

The unique design of the PDD (Pivot Display Drawer) is just that, It pivots. The drawer starts out laying flat and put away in it's 1U Drawer. When needed the monitor slides out and the display portion of the monitor rotates up. You can adjust the monitor in almost any position from 0 to 125 Degrees. The Heavy-Duty Torque hinge holds it in place.

Integrated slides along with adjustable mounting brackets allow installation in any standard 19" Rack enclosure. The drawer is held closed with a keyed cam lock.

The Standard Finish is Black Powder Coated Lite Texture, but it can be customized to any color or logo.

Features

Enclosure:

- Mounts in standard 19-inch rack cabinets 20 - 36 inch depths.
- Utilizes only 1U (1.75")
- RSI Design (Rapid Start Installation). Less than 5 minutes!
- Rugged all metal construction designed to satisfy Industrial and Military requirements
